LETTER FROM THE EDITOR

Thanks to all the players that came to the BullShooter 34 Finals in Chicago this year. It was great to see everyone over the weekend. The competition was fantastic this year in both Men's and Women's divisions.

Over \$140,000+ was awarded to players throughout the weekend starting on Thursday with the Monster of the Midway 4-person team events and ending on Monday, May 27, with Pro and Men's Doubles Cricket.

Being my first BullShooter, the highlight of the weekend was experiencing the International Team event. This year five teams competed from Canada, Denmark, Germany, Spain and the United States. The

U.S. team members this year were Alex Reyes, Danny Baggish, Joe Hedrick and Dustin Holt. The final match came down to the U.S. and Canada teams playing in the Bull Pen and Canada trying to defend the Championship from BullShooter 33. Team Canada threw the winning dart and claimed the International trophy cup for a second year in a row. Team Canada's team members were Jayson Barlow, Dave Cameron, Adam Stella, Jeremiah Millar, Jason Roker and Cory Tkach. Congratulations to Team Canada!

A big thank you to all the faithful players that come every year - *win or lose* - to the BullShooter Finals and

to all of the new players coming for the first time. It's great to see all of the excellent competition between players.

Congratulations to all of the champions!

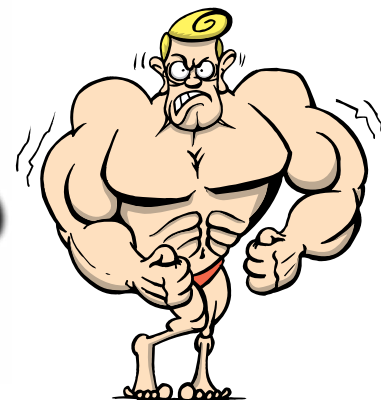

We will be starting our 35th BullShooter Tour this fall. Be sure to check out the new Regionals that will be posted next month in the BullShooter Magazine as well as on our website, www.BullShooter.com, and Facebook, www.Facebook.com/BullShooterWorldTour.

Again, thanks to all the players for coming to BullShooter 34 and we look forward to seeing you again next year!

Jennifer Gunn, Editor

GALAXY 3 FIRE HOME GAME

ST. JUDE CHILDREN'S RESEARCH HOSPITAL

Thank you to everyone that donated to the St. Jude Children's Hospital charity!

All proceeds that were collected at the BullShooter Qualifying Regionals, the BullShooter 34 Finals in Chicago, those entries that were mailed into Arachnid 360, and those paid online through the St. Jude website, were sent to the St. Jude Children's Research Hospital to help ensure that families never receive a bill from St. Jude for treatment, travel, housing or food -- because all a family should worry about is helping their child live. Arachnid 360 was very excited that the total amount collected was \$6,400!

The drawing for the Galaxy 3 Fire Home Game took place on Monday at 1p.m. Many players tried to get in last minute donations for the drawing. The lucky dart player that won the game was **Terry Wilkinson from South Bend, IN.**

THANK YOU to all the dart players who donated to this worthy cause! Your generosity is greatly appreciated.

Iceman Charity Tournament

Thanks to all who helped support this year's Iceman's Charity event.

On April 28, 2019, Club Paragon hosted over 25 of their in-house league teams (Monday) at this year's Mixed Triples tournament. Many thanks to Robin and Jeff for providing a perfect location and good food!

People have been asking when the next big Iceman Tournament will be and some factors including the loss of some of our biggest supporters; four of our key people who have graciously helped over the last six years have other commitments requiring their time, and the loss of my little sister, Ann Nelson, creator of the Iceman logo, have affected the ability to hold the three-day tournament this year.

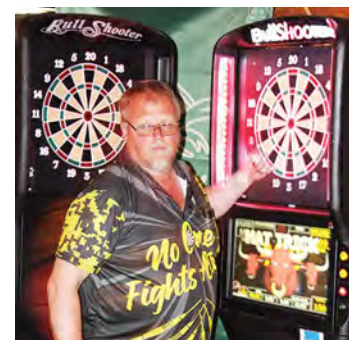

This year's Iceman Charity tournament event raised \$2,000.00 for the Masonic Angels. A special thanks goes out to Tim Z, from the Angels, for helping with the event. I'd also like to thank Wojo, Fish and American Defense for all your help with the raffle prizes.

Having a tournament is fun, seeing a smile from a kid is better.
